BLACK & WHITE 3

MEAN KIDS PRACTICE RANDOM VIOLENCE AND SENSELESS ACTS OF UGLINESS ON THE MEAN STREETS.

Street urchins Black and White have sky-scraper-sized chips on their shoulders, but are fiercely loyal to each other. White is a dimwitted innocent, Black a streetwise sinner—but both are violent as can be. Their days are spent robbing, rumbling, and running riot.

But now White has been seriously injured by the assassins of a strange cult determined to exterminate our anti-heroes, and the Treasure Town police have taken White into custody "for his own good"!

Can either boy survive on his own...?

And what is to become of yakuza Kimura and his pregnant girlfriend when the cult takes over his turf?

MEAN KIDS PRACTICE RANDOM VIOLENCE AND SENSELESS ACTS OF UGLINESS ON THE MEAN STREETS

PULP GRAPHIC NOVELS—COMPILING THE HOTTEST MANGA FROM THE PAGES OF VIZ COMICS' REVOLUTIONARY MANGA MAGAZINE FOR GROWNUPS!

Street wishes Black and White were inseparable as they are pegged from many through the comedic streets of Treasure Town. Until the police nark White into custody. "He is his own good."

Without the ameliorating effects of White's yin of his yang, Black runs amok through his beloved city, while White's already feeble grip on reality grows ever looser. Then a demonic presence tempts Black to go over to the dark side forever....

What is the destiny of these two opposites? Will White and Black ever be reunited? Will light balance dark? Will good triumph over evil?
